

New Tactics in Human Rights

[New Tactics in Human Rights](#), a project of the [Center for Victims of Torture](#), has published new notebooks on innovative tactics used to address urgent human rights issues. STOPVAW would like to highlight two notebooks in particular as useful tools for strategies in combating violence against women:

- [A Mock Tribunal to Advance Change: The National Tribunal on Violence Against Women in Nigeria](#), Mufuliat Fijabi, BAOBAB for Women's Human Rights, Nigeria
- [Familiar Tools, Emerging Issues: Adapting Traditional Human Rights Monitoring to Emerging Issues](#), Jennifer Prestholdt, The Advocates for Human Rights, USA
